June Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on July 7th

To say that June was a wild month would be an understatement! Between personal celebrations, professional hustle, and some much-needed fun, it's been a whirlwind of a month the whole way through! Thankfully I seem to like being a little crazy.. Otherwise, I'd never plan all of the things that I do!

First off.. June is my birthday month! I felt so loved and spoiled by some incredibly sweet lovers. Thank you to everyone who made me feel extra special with thoughtful gifts and tender moments. It was truly a heartwarming way to celebrate another trip around the sun. I hope to have the best year ever, and keep working steadily toward my cute little (huge) goals!

On the personal side, I also took on some new commitments related to my academic goals. If I didn't have time before.. I've really outdone myself now (lol). But honestly, I thrive in chaos, and I love staying busy, even if it makes me a little bit crazy at times.

One of the highlights of the month was a weekend away to celebrate a lovely friend's wedding. I also got to let loose at the Halifax music festival, which was so much fun! I bet a few of my lovers subscribed here, attended as well! I always try to balance business with pleasure, because finding moments to enjoy life outside of work/school is so important.

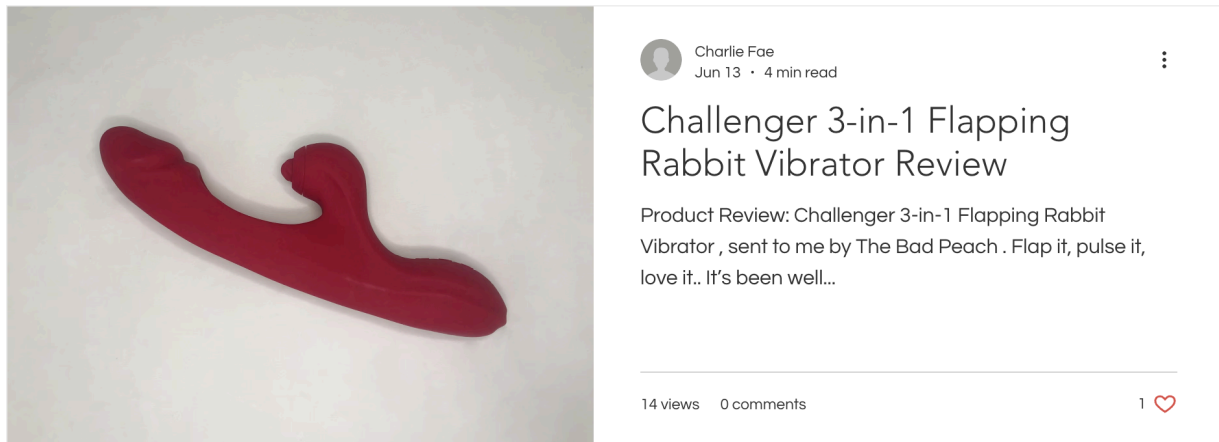

Work wise, I was hosting in Halifax sporadically throughout the month, squeezing in availability between all my other commitments. Huge thanks to everyone who took the time to book with me, and some extra love to those who pre-booked or were patient with scheduling. Your flexibility means the world!

On the content side, my [OnlyFans](#) has been kept fairly up to date! Some weeks are busier than others (as I've mentioned over and over), but I always aim to share at least a handful of new posts each week.. often more when I can! Thanks for sticking with me through the current inconsistent flow!

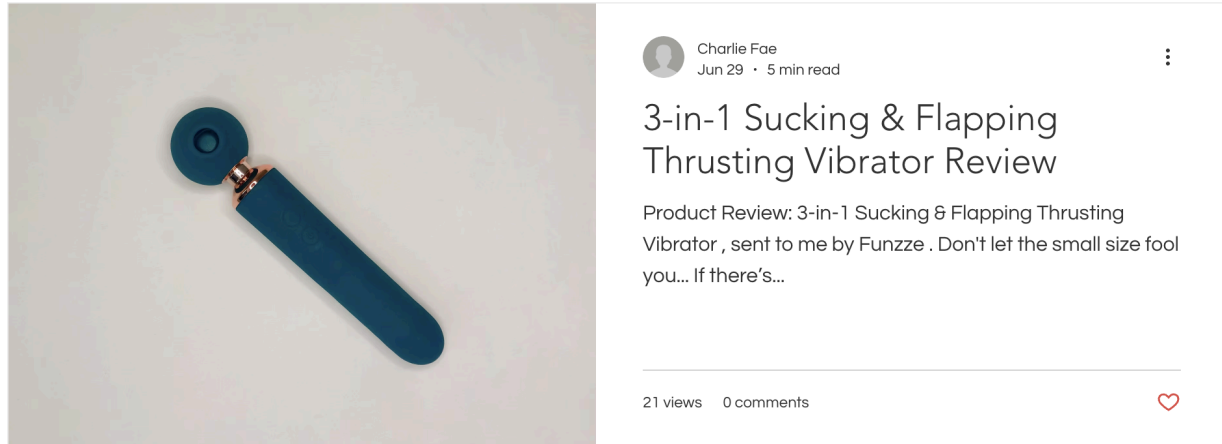

I also published two new [product reviews](#) this month. Both were so fun to test and review, and I'm always thrilled to explore and share new toys with you all. I hope that some who check out my reviews get to enjoy some of these toys for themselves.

You can check out my thought for both of the adult toys here:

July Upcoming!

Which ways are you keen to keep up with me?

July is shaping up to be another full month, with me staying local! I'll be sticking around Halifax for most of the month, with the exception of at least one weekend away (not a work trip), and maybe a second depending on how things unfold.

As far as availability goes, I'll mostly be keeping regular weekday hours - Monday through Friday, 10AM-9PM, with pre-booking required. Just a reminder.. those hours don't mean I'm sitting around, twiddling my thumbs, waiting for a message. Pre-booking is always appreciated and makes everything smoother for us both. I will have some weekend availability mid-month as well. You can always check out my updated schedule on the [booking page](#) of my [website](#)!

6 TODAY < > July 2025						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
29	30 Halifax	1	2	3	4	5
6	7 Halifax	8	9	10	11	12
13	14	15 Halifax	16	17	18	19
20 Halifax	21	22	23	24	25	26
27	28 Halifax	29	30	31	1	2
3	4	5	6	7	8	9

Content-wise, I was on a little roll the other day and already have some fun new material in the bank! I'll be scheduling those drops on [OnlyFans](#) over the coming weeks. I'm also toying with the idea of doing a LIVE event later in the month (likely during the last week or two of July) Would you be into that? There's a poll up on my fan page right now where you can [cast your vote](#) if that's something you'd want to attend!

Of course, life shows no signs of slowing down, so I'm trying to keep up with all my [socials](#), especially [Twitter](#) and [Bluesky](#). These platforms are often the best way for me to quickly share updates, changes to availability, or just to stay connected with you all. Admittedly, they're the first thing I neglect when life gets chaotic, but I'm doing my best to stay active there!

As well, if you've been trying to reach me via WhatsApp and haven't heard back.. I'm so sorry! My phone has been totally rejecting the app for some reason. I've posted about it on [Twitter](#), but if you missed that and were wondering why I've been silent, that's why. Hopefully I'll have it sorted soon. (In the meantime, send me a [text or an email](#)!)

As for everything else.. well, it's up in the air until it happens (lol). Here's to a spicy, joyful, and just chaotic enough July! Xo
