# March Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on April 1st

Is anyone else shocked that March is already over? 2023 is flying by so far! Maybe it is the level of busy that I tend to keep myself.. But y'all can confirm if it is just me or not!

At the beginning of the month I had a long weekend in Montreal - a mix of work and play. I am so lucky that this job allows me to be wherever it is important. I got to celebrate my nephews 5th birthday, and had some extra time this trip to host a full incall day! What a busy, and exciting time!

On this trip I was also able to meet up with the wonderful Alisha Cantaloupe! Her and Charlotte Maeve of Toronto have been added to my regular [duo partners page](#), and I so look forward to working with them in the future!

This afternoon made me feel rejuvenated! Grabbed a bite to eat with [@AlishaCantaloup](#) and now preparing to check out of my incall with a smile on my face! Excited to do this again, some time! ❤️

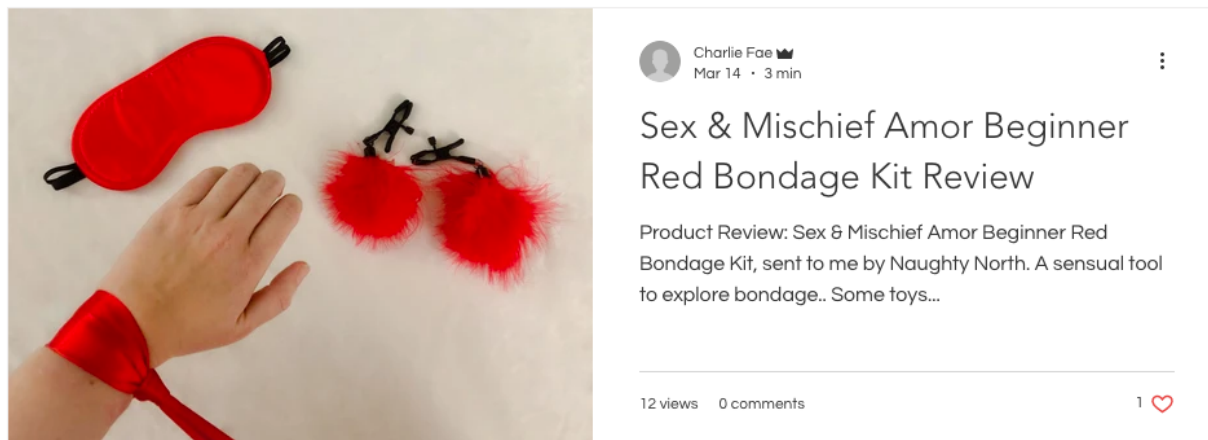

My [twitter](#) is truly one of the best places to keep up with me. It is also one of the spaces where I released my newest photo from Fruit De La Passion Photography! I have been ever impressed with Flo's work. It makes it truly wonderful to release photos that I love to you all!

The rest of my month was spent with my local Halifax lovers! I had some lovely dates in March with the loveliest gentlemen. I always love sharing time, chats, or a drink with my lovers.

In March, I was also allotted much time to focus on writing. This includes projects in and outside of this industry.

Some of what I released for your viewing includes 2 new [product reviews](#)! Things like a new bondage kit and vibrating butt plug to review keep me busy in the best ways.
