# January Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on February 1st

January was a very busy month in my Cheeky world! I started those first few days in Halifax, but was soon off to spend the rest of the month on tour. I spent time being adored in Kitchener, Edmonton, Fort Mac, Grande Prairie, Fort St. John, and finally Montreal! I had a wonderful time walking around these areas, finding cannabis stores, and eating the greatest food!

Because I was so busy with in person work I took a little break from some of the things I normally do like writing reviews. These things will be coming back 😊

Touring, however, always gives me new inspiration for Tiktok! I made three Tiktok videos that depict a bit of my life while on tour. [You can see them here!](#)

As always, my onlyfans has been consistently updated - with new posts with captions like...

“Jiggling for you to enjoy”

“F\*\*\* me like this”

“Peach or plum?”
