June Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on July 1st

You all helped me bring in my birthday like a true princess! I received very thoughtful and useful gifts, ate the most delicious charcuterie boards and gourmet pizzas, and most importantly.. spent amazing time with those who gave me the opportunity this month. I feel lucky every day that I get to live this unique life.

I ended up spending the entire month of June in Halifax. Though this wasn't my original plan I think it may have worked out just as it needed to.

Most of you know that I have started studying again, and have been incredibly busy in other parts of my life as well. As much as I love touring, it was nice to be home for the month. (On

the note of touring.. I am looking at possibly being in St. John's, NFLD the weekend of August 10th-13th)

Outside of working and studying like crazy - I was able to fly to Montreal this month to make up for my previously canceled Lizzo concert, and spend some time out of the city with my family. Both were so so good for the soul!

I started this month releasing a new photo from my set done by Fruit Boudoir:

As well, I released a new [product review](#). Hands down, this is my favorite product that I have received through my affiliation with [Naughty North](#) & [Betty's ToyBox](#). I hope you enjoy reading my thoughts:

This product was also important because it brought me a unique opportunity. Naughty North Reached out to me a few months ago to ask if I would be keen to host a [product giveaway](#) with them. If you know me, you know I do everything at 120% so of course I was on board!

I often think about some of the things that this industry has brought me that I never imagined. Being able to host a giveaway, being featured on online magazines/articles, being flown to a bloody conference! Ever grateful to all who make these things possible!

If you're not familiar with these, you can check them out on the [Links](#) page of my [website](#).

Needless to say, you can likely tell that I have been running on caffeine and positive vibes (lol) Keep them coming!

July Upcoming!

Which ways are you keen to keep up with me?

I had originally planned to have my July touring schedule sorted before sending out this newsletter. Alas, here I am sending it out with a relative plan for August but nothing set in stone for July.

My current thought is that I will go to Sydney and/or Charlottetown. (This is where you come in..) If you are in either city and are keen to spend some time with me please contact me and include notes about what dates may be ideal. I go where the wind blows.. or wherever I blow.. however that saying goes..

Because I don't have the month planned in stone, I have not completely updated my schedule on my [booking](#) page. Keep an eye on it for further updates. As for now, I will be available this week in Halifax, hosting downtown.

[Twitter](#) is another great place to keep up with me, for schedule updates as well as the new product review I will have coming, and the winner of the product giveaway!

I'm excited to spend the next month indulging in fantasies with you! Head to my [website](#), and pay special attention to my [booking](#) page to know how to spend time with me! xo
