February Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on March 1st

February feels like a blur of school work! I was very close to burn out, and thankfully reading week came at the perfect time. I feel refreshed now, getting ready for a new month!

From what is not blurred in my memories of my school notes.. I think I've been spoiled this February! I started and ended with lovely overnight bookings, and received wonderful love month gifts and treats!

If you are on my socials you know that I was very keen to set up a new subscription discord, but I believe I have exhausted all of my resources and will not be able to make this come true - as they do not have systems in place to pay Canadians.

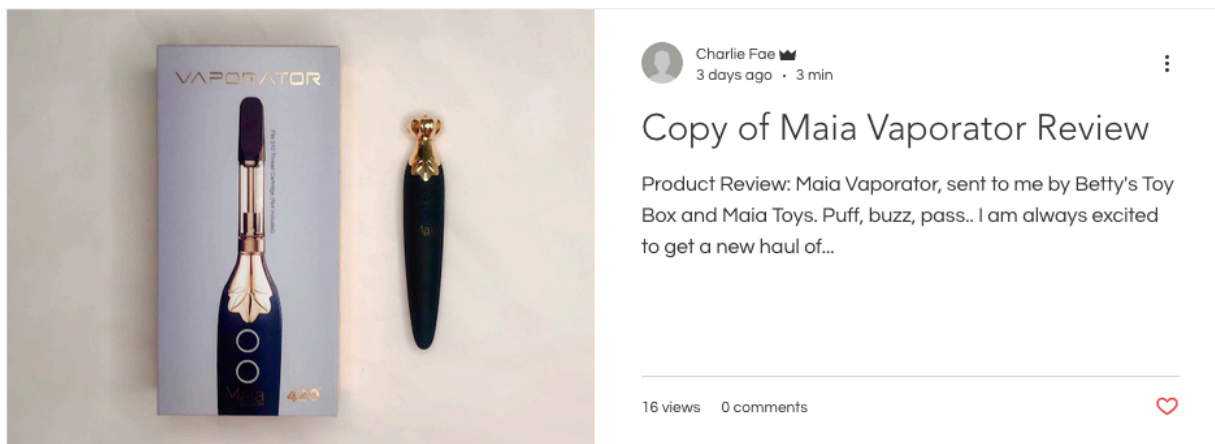

As always, [twitter](#) and [onlyfans](#) are the best places to keep up with cheeky posts like this:

You probably saw the advertising for what was supposed to be my reading week in Quebec City this February.. But that did not go as originally planned. Always, a reminder that pre-booking is important if you want to see a companion in your city. This trip was not looking fruitful so it's been scratched, to be reconsidered in the summer.

You never know where/when you'll see me! Keep this newsletter and my [booking page](#) calendar in your favourites to be the first to know!

Something that I put out recently is a new [product review](#)! I was so keen to try the Vaporator - combining two of my favourite things, orgasms and weed! You can check out the g-product review here:

Or the xxx-product review over on my [fan page](#):

I think that I can confidently say that is all I remember from this whirlwind of a February! If you were a part of it, I thank you for contributing to my life! If you weren't, then I hope we can change that in the near future and have a little fun together!

March Upcoming!

Which ways are you keen to keep up with me?

I think, simply enough, it is still cold so I will still be spending most of my time in Halifax. Doing things in the winter can be dreadful sometimes.

I do have one long weekend trip planned to Montreal but the purpose of this trip is for family. If you are keen to see me on that trip the one and only time that would work would be Tuesday, March 12th. If that works with the schedule of a Montreal lover then I'd be keen to spend time with you!

So, for the rest of the month that means the general weed-days 10AM-10PM schedule (this is with pre-booking - I'm always busy with something so can't guarantee last minute appointments) in Halifax!

Take a look on the [booking page](#) of my [website](#), or my schedule here:

Sun	Mon	Tue	Wed	Thu	Fri	Sat
25	26 Halifax	27	28	29	1	2
3	4 Halifax	5	6	7	8	9
10	11	12 Halifax	13	14	15	16
17	18 Halifax	19	20	21	22	23
24	25 Halifax	26	27	28	29	30

A special March feature, and one that I think it long awaited when I look at questions in my email inbox.. Sarah Alexxx and I will be hosting the GLORY HOLE event to celebrate steak and BJ day!

You read it right! Thursday, March 14th! GLORY HOLE!

We only have the capacity to host this one day, afternoons and evenings.. So if you're one of the people who have been waiting patiently for us to host this again.. Make sure you reach out to snag a spot!
