December Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on January 3rd

December felt the tiniest bit more gentle after a busy semester! I wrapped up my classes and exams at the very beginning of the month, and I'm very happy with how everything went. Finishing strong meant I suddenly had a bit more free time than I'm used to, which is a rare and welcome perk that I tried to enjoy (This is hard for someone who is used to being busy all of the time).

That extra space allowed for some truly lovely dates and so much delicious food along the way. You all know by now that the way to my heart is absolutely through my stomach, and December certainly delivered in that way!

I'm especially grateful, and need to thank the people who chose to spoil me over the holidays, in both big and small ways. Whether that was through special dates, financial support toward my tuition and other commitments, or the incredibly sweet gifts I received.. please know how deeply appreciative I am, and that you put a smile on my face! Your generosity truly makes a difference in my life.

I also spent a week away with my family over the holidays, which was a needed time to truly step away (not having the work phone in my pocket, or feeling guilty about forgetting to check my [socials](#)). Seeing my nieces' and nephews' faces light up as they opened their gifts was the greatest joy. As always, thank you to those who book and support me.. this is the reason that I am able to show up generously for the people that I love.

When it comes to content for my fans.. I shared some new photos on my [onlyfans](#) page this month, including a few naughty holiday-themed treats that were very fun to put together. It is nice to have some sort of theme/holiday for inspiration here and there!

All in all, December was made up of wonderful dates, meaningful time with special people, and a much-needed mental reset.. A wonderful way to close out the year!

January Upcoming!

Which ways are you keen to keep up with me?

I'll start with a "Happy New Year!" I'm excited to see what 2026 has in store and to enter this year with intention, curiosity, and a little bit (a lot?) of mischief.

Next week I'll be starting new classes, and this semester is looking to be a rigorous one. Because of that, planning ahead is more important than ever (I know I say this often, but it is only because it is true!) when it comes to dates. You *may* get lucky and catch me at a moment when I happen to be free.. but most who know me understand that those moments can be few and far between. Between school, personal commitments (both inside and outside of academia), the need for actual rest, and managing chronic illness, my time and energy need to be very carefully balanced. When my time isn't valued, it can feel quite disrespectful.. so, again, pre-booking is truly appreciated and strongly encouraged!

I've updated my [booking page](#) to reflect this shift. The calendar format was no longer serving me well, so you'll now find a 7-day approximate schedule that should remain accurate through to April. After that, I'll update availability around my more "set-in-stone" commitments as they come together.

January should look something like this:

- **Thursday:** **1PM–9PM for the **next two weeks only** — after that, I will no longer have availability on Thursdays**
- **Friday, Saturday & Sunday:** Most flexibility, 10AM–9PM
- **Monday:** 2PM–9PM
- **Tuesday:** 2:30PM–9PM
- **Wednesday:** 5PM–9PM only

CURRENT SCHEDULE	MONDAY <input type="checkbox"/>	TUESDAY <input type="checkbox"/>	WEDNESDAY <input type="checkbox"/>	THURSDAY <input type="checkbox"/>
	1PM - 9PM	2:30PM - 9PM	5PM - 9PM	NOT AVAILABLE
	FRIDAY <input type="checkbox"/>	SATURDAY <input type="checkbox"/>	SUNDAY <input type="checkbox"/>	NOTES:
	10AM - 9PM	10AM - 9PM	10AM - 9PM	OR • AVAILABILITY DEPENDENT ON PRE-BOOKING

I'm sure it's easy to see why pre-booking is so important! These times are based around my class schedule, but life happens outside of school as well, so availability can never be guaranteed unless we've taken the time to officially set it in my calendar.

I'm also currently deep in applications for the next part of my academic journey, which *may* include a move to another Canadian city in the autumn (but we can get into that later, when I know more!) For now, just know that I'm a bit application-swamped on top of everything else!

As always, you can still find me virtually on my [onlyfans](#), where I will have some new content coming soon. Despite the seriousness of my responsibilities, I'm very much looking forward to weaving in some naughty fun along the way!

Here's to a busy, intentional, and deliciously balanced January! I hope you can be a part of mine! Xo!
