# January Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on February 1st

Everyone that I know had a rough start to 2024! I hope you, reading this, are not one of them!

I feel like I have been sick, on and off, since November! January was a pretty rough month for me health wise. I went into it optimistically just to feel fatigued, nauseous, and general malaise nearly every day!

I finally woke up on Monday not feeling like complete trash, and since then have been feeling okay in general. I'm considering it a win.

Because I had the month I did health wise, while still working and studying, my [onlyfans](#) lives fell off. I'm hopeful to get those going again soon. I'm dying to work out with you guys hyping me up again!

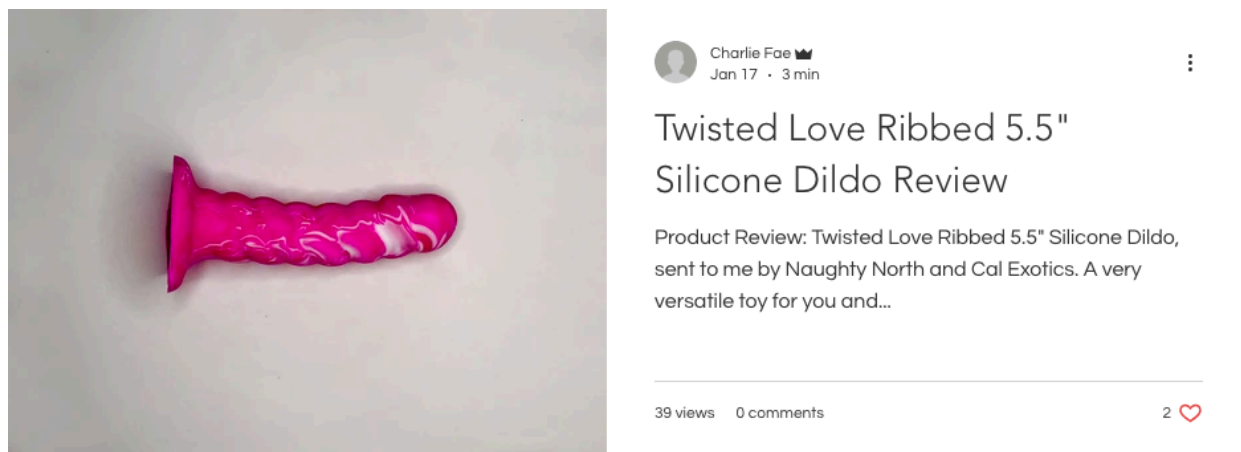

Besides the health problems.. I had a good month.

School has been going very well, and I am excited every day with my courses! It is a lot of work, but enjoying it makes it just a little bit easier.

Work wise, I have been busier than I expected in the winter (and thankful for it). I started the month with a lovely overnight.. and have shared many lovely dates, kisses, and bottles of wine since!

Of course, even though I was not able to be live as much as I like to, my [onlyfans](#) has been kept up to date with content.. And I received some new products from [Naughty North](#) to review which means..

A new review post is up! For the [Twisted Love Ribbed Silicone Dildo](#)! You can check it out here if you haven't already:

If you are already on my [onlyfans](#) platform then you know that there was also an x-rated version of this product review.

And if you're not, then this is probably your sign to head over there and subscribe 😊

# February Upcoming!

Which ways are you keen to keep up with me?

---

I'm starting this month similar to the last in the sense that I have a date planned with an overnight lover! I hope not much else from January is the same.. I've got too much fun planned to be sick!

I will be spending most of my month hosting from my space in Halifax..

But, my lovely friend Charlotte Maeve and I have planned a little trip to Quebec City! This will be my spring break and I am looking forward to having a wonderful time in the city of french kisses!

If you are one of my lovers from Quebec City this is your time to reach out to me! Charlotte and I will, of course, need a certain number of pre-bookings to make the trip there!

Other than this trip, I will be hanging out in Halifax.

If you've met me, you know I'm likely here sifting through my growing pile of assignments due! (Another reason that it is good to pre-book.. So I can plan to take my mind off of school and focus on you instead!)
