# November & October Recap!

What I've done, and what is upcoming.

by Cheeky Charlie on December 3rd

Oh hi! It's me, the girl who forgets to send out her newsletters!

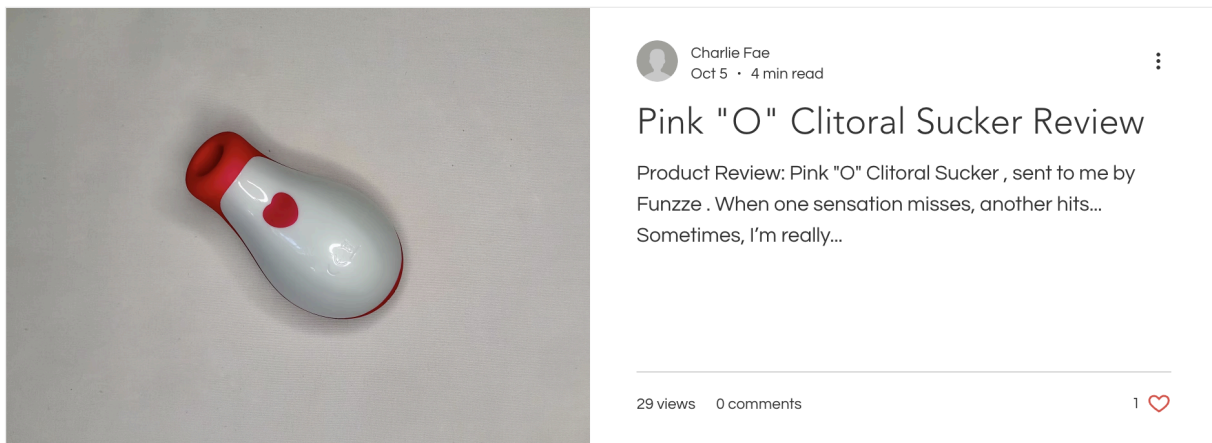

I'll be the first to admit it.. I've been absolutely terrible at keeping up with my [newsletter](#), [website](#), [socials](#).. all of it. School has completely taken over my life lately, and balancing coursework with everything outside of my in-person appointments has been a challenge.

That said, if you reach out with plenty of notice, I can almost always find a time for an in-person date.. I'm just a little slower at keeping up with the rest of the digital world right now.

October and November still treated me to some truly lovely dates. I had an absolutely glorious overnight rendezvous that left me smiling for days afterward, and while I was in Montreal I enjoyed some naughty fun with a super fun couple. Both of those dates featured the kind of delicious food (and other types of deliciousness) that makes an experience linger in your memory long after the time has passed.

My [Onlyfans](#) has been a bit quiet lately (posts have definitely been fewer and farther between) but there are some new uploads waiting for you if you haven't checked in recently. I'm hoping to get back into a more consistent rhythm soon.

At the beginning of October, I also put out a new [product review](#) for the [Pink "O."](#) a toy kindly sent to me by Funzze. If you're curious about my thoughts or looking for something new to explore, that review is up for your reading pleasure!

# December Upcoming!

Which ways are you keen to keep up with me?

---

Looking ahead, December will be the last month that you'll see the calendar displayed on my website's [booking page](#). Going into the new year, I've decided it's time for a refresh. Updating the calendar every month has become a bit unrealistic for me.. sometimes I forget, sometimes I'm lazy, and sometimes I simply don't know what my schedule will look like far enough in advance.

In January, check back for a new layout that reflects my weekly rhythm instead, with the availability surrounding my "set-in-stone" commitments. I'm hoping this will make things

easier for me (not having to keep up with updates), and for you to understand when I am generally available!

For December itself, I'll be available most days as my school semester wraps up next week. That said, I will be away from about the 20th to the 27th for the holidays, so keep that in mind if you're hoping to plan something special before the new year sneaks up on us.

I also have some fresh posts coming to [Onlyfans](#)! So if you've been craving new content from me, you won't have to wait long. I'm excited to share what I've been scheming ;)

As for everything else.. well, it's all delightfully up in the air, as usual. Reach out if you'd like to carve out some time together. With a little planning, we can almost always make something fun happen.
