February Recap!

What I've done, and what is upcoming.

by **Cheeky Charlie** on March 1st

February did not turn out to be any of what I expected. I was supposed to see my Sydney lovers for a long weekend but for a few different reasons.. didn't make it there. A lot of this month consisted of me working on my health. I'm always creating new habits and new ways of increasing my quality of life, which is so important with chronic illness.

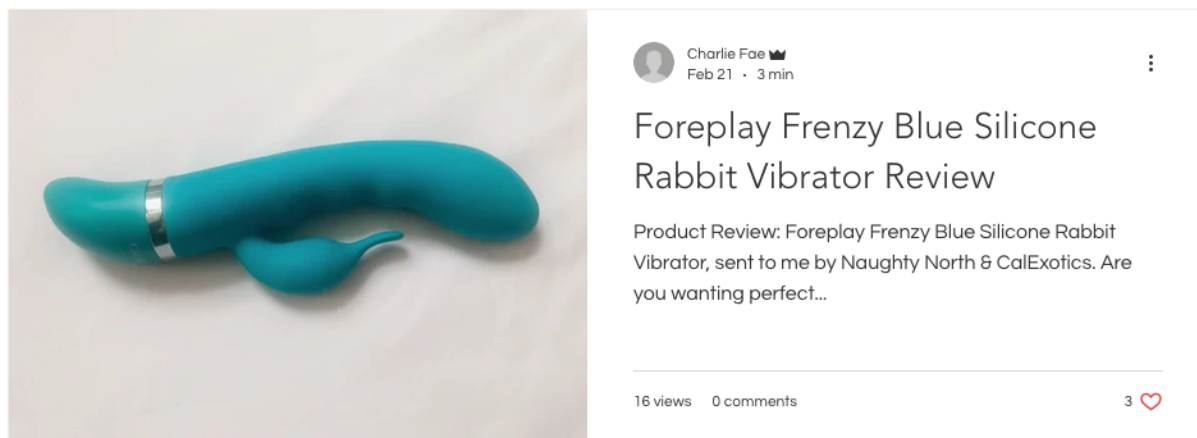

I am forever grateful for this work and the way it allows me the time to put a focus on my health.

(I also applied to hopefully study again soon! Wish me luck, and I wouldn't say no to an etransfer to cheeky.char@outlook.com for my \$100 application fee 😊)

So, I spent an entire month hosting from Halifax. Something that doesn't happen too often.

And Halifax, you kept me pre-booked and happy.

As for the rest of February.. I kept my [Onlyfans](#) up to date, made a few updates on my [website](#), and was able to get in my first [product review](#) of the year! (I reeeaaalllllyyyyyy liked this product)

Feel free to check out my affiliate links with [Naughty North](#) 🇨🇦 and [Betty's Toy Box](#) 🇺🇸 while you're at it. If you weren't aware, using my code **CHEEKY** will give you 10% off when you check out!

My final February update is that I have set up a [Wishtender](#) as another way to pay deposits. Unfortunately, many companions have noticed an uptick of no-show behavior.. So, I will likely need to be more stringent with my deposit policy with new clients. [Wishtender](#) allows you to pay me the deposit through a third party, and gives you the option to use a credit card.

I am questioning whether I should add some gifts through this platform as I already have a page dedicated to my [WishList](#) on my website. Feel free to find me on my socials and give me some feedback surrounding Wishtender and its uses:

March Upcoming!

Which ways are you keen to keep up with me?

I am very happy that March is finally here! I have an event in Montreal in the first full week of March so I will be flying there on the 8th!

As per usual, I mainly work Outcall Only in Montreal (don't get it twisted if you're from a city other than Montreal.. I don't usually prefer this) and because of this pre-booking is required. Outcall days will include March 8th and 12th!

On Friday I will be offering a very rare Montreal Incall availability. I will have availability throughout 10AM-5PM. I would love to see you there, and will again emphasize pre-booking for this day!

A promotional graphic for 'MTL TOUR' by CheekyCharlie.ca. The graphic is split into two parts. On the left, a white background contains the text: 'MTL TOUR' in a large, red, handwritten-style font; 'OUTCALL' in a smaller, bold, black font; 'Wed, Mar 8th ... 4PM-10PM' and 'Sun, Mar 5th ... 10AM-10PM' in a small black font; 'INCALL (1 DAY ONLY)' in a bold, black font; 'Fri, Mar 10th ... 10AM-5PM' in a small black font; and a red rectangular button with the white text 'CHEEKYCHARLIE.CA'. On the right, a photograph shows a woman from behind, wearing a red bikini, sitting on a white surface and looking out a window at a cityscape.

Most of the rest of my March will be spent with availability in Halifax, besides one long weekend from March 30th to April 2nd, when I will be in Charlottetown! It has been a while since I've been to the island, and I look forward to being there again!

Check out the [booking](#) page on my [website](#) for more info on securing some time with me in any of these cities!

Sending all the wishes for a splendid March to you, and I hope to be included in your plans!
