# July Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on August 1st

July, you threw me through a bloody loop!

I started the month thinking that my schedule would be lighter because I hadn't been admitted to one of the courses I had planned on taking.. Until a few days into the course, I got admitted and had to take a few days off of work playing catch up! This course is being taught over a 6 week period, and has been hectic since the moment of my admission. (I can almost smell the finish line now)

It didn't really help that I had some medical business going on as well. What I thought was the stomach flu has turned into blood work, ultrasounds, and possibly a surgery in the future.

I am still toying with ideas of how to prepare for the time I may need off for surgery if/when it happens. One thought I've had is some sort of 'sponsorship' where I will take the time that I have off and set up tiers of payment systems over the weeks (?) that I will be recuperating, and in return it will result in some sort of discount for future session(s)? Feel free to send me an email with thoughts on this - I would love some feedback!

Somehow, between my unplanned business.. I've managed to have some really beautiful dates! I've hosted lovely dates from my space Downtown Halifax, had a wonderful long weekend in Charlottetown, spent time with a lover in a hot tub, received so many lovely gifts, and spent a few dinners with amazing company!

As always, my platforms like [manyvids](#) and [onlyfans](#) are available for viewing, and updated.

And finally, the [winner of the product giveaway](#) that I hosted in June with Naughty North was announced on the first day of July.. Everleigh May (a lovely companion from PEI) Congratulations, and I hope you enjoy your Womanizer!

# August Upcoming!

Which ways are you keen to keep up with me?

---

I am starting August hoping for health, wealth, and excitement!

Tomorrow, I will be releasing my newest [product review](#) for your reading pleasure, and of course you can always use my code CHEEKY for 10% off when shopping with [Naughty North](#)🇨🇦 or [Betty's Toy Box](#)🇺🇸

I plan to be sticking pretty close to Halifax (which probably makes sense after you heard about my last month) to make sure I am feeling back to myself, and to finish my current courses. I would love to spend time with you this month. And, if we can go off of July.. pre-booking is strongly encouraged!

At the end of the month I will be visiting Montreal. I will be there from August 27th - 30th, for sure, and perhaps a bit longer. I have not booked everything, yet, for this trip and will have official updates soon on my [website](#) and [twitter](#)! (Note: this trip may only be outcall availability. Reach out to me about pre-booking if you'd like a better chance of having me host 1 or 2 days while in the city.

My schedule ~is as follows: (and the update for MTL dates is coming!)
