October Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on November 1st

Hoping my lovers had the spookiest, most wonderful October!

I'm always still keen to see a spooky movie with you, no matter what time of year it is!
Halloween lives somewhere in my soul!

My month had a lovely mix of naughty fun with my generous dates, spooky Halloween fun with my family, and a few tears in school (lol)

On the note of generous dates.. My lovers have been so thoughtful and generous that I am slowly updating both my [Wishtender](#) and [Amazon](#) wishlists! The biggest thanks to everyone who spoils me, I feel so lucky all of the time!

I did not end up spending time in Charlottetown this month, which probably ended up being for the best with my few visits to see family, and the couple weeks spent on midterms.

So, my work month was spent in Hali - being absolutely spoiled! Delicious food, thoughtful gifts.. I truly am a very lucky girl to get to meet the people that I do!

Other than in person dates, I have taken a bit of a step back as my school schedule is demanding and tedious. But, online platforms are around and still fun to play on..

Over on my [onlyfans](#) page, there have been lots of new posts, and I had a special custom request that was smoking hot!! Imagine me with a dildo, in multiple positions.. If you subscribe in November and want to see it just send a message in my inbox and I will get it on the way to you.

November Upcoming!

Which ways are you keen to keep up with me?

November looks like it will be much like October, so any of my Hali lovers who are looking to see me will have lots of opportunities!

You all know that I love to tour and spend time with my other lovers, and enjoying different cities, but for the time that I am studying again it is harder to find time to commit to it.

I can possibly be tempted to spend a long weekend in Charlottetown or Sydney at the end of the month, but this will depend on pre-bookings. So, if you are someone who likes to spend time with me in either of those cities, this is the perfect time to send me an email and get the ball rolling!

For now, this is what my current November schedule is looking like:

November 2023							Today
Sun	Mon	Tue	Wed	Thu	Fri	Sat	
29	30 Halifax	31	1	2	3	4	
5	6 Halifax	7	8	9	10	11	
12	13 Halifax	14	15	16	17	18	
19	20 Halifax	21	22	23	24	25	
26	27 Halifax	28	29	30	1	2	
3	4	5	6	7	8	9	

Pretty basic - Monday through Friday, 1PM-10PM

Keep in mind this is different on Tuesdays when I have nearly a full day of school. If you are looking for a Tuesday appointment the slim option is in the early evening (~7PM-10PMish)

Socials ([Twitter](#), [Insta](#)) are always the best ways to keep up on these and other possible availabilities!

Head over to my [website](#) and make sure you read the info on the [booking page](#) if you're keen to be written into the naughty section (aka. the red pen) of my planner this month!
