# November Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on December 1st

November felt like a loooooong month for me! Maybe the mix of tests and term projects, maybe the cold weather settling in for winter, maybe a mix of both!

I have been very lucky to be able to spend time warming up with some of you! I think of one moment with a lover in particular, where we were sweating so much that I reached over to flick on my infamous loud fan and it was right at that moment that he.. Well, you know ;) We must have both been turned on by the idea of that fan cooling us down (lol)

So many of my dates this past month have been truly magnificent! I received some very thoughtful gifts, ate many scrumptious treats, and even got to go on a [lululemon shopping spree!](#)

I have also been very fortunate to spend time with my companion friends! New and old! I had a delicious meal at the [Bicycle Thief with Toronto's Calista Diamandis](#), and breakfast at [The Cheeky Neighbour Diner with our very own Cindy Cindy](#)! Check out these lovely ladies, as well as the one's on my [duo partners](#) page! A duo with any of them would be a dream come true!

Now.. finished swooning, and back to the November update!

One of my personal goals that I started part way through the month was to find ways to be more active on my [onlyfans](#) page. Ways that won't take too much extra time from my life, as it already feels like there are not enough hours in a day..

Lately, on this platform, I have been able to post every weekday morning, and I have also been going live for about an hour and a half midday while I do my workout. If you are into seeing girlies move their body and get nice and sweaty (and a little interaction while you hype me up) then hopefully you can find the time to pop into a live every so often! Would love to see you there as I go forward with this! Follow and of the links in this newsletter that say [onlyfans](#) to subscribe and come have some fun!

# December Upcoming!

Which ways are you keen to keep up with me?

---

The beginning of December has me in a few different seasons.. Some bad and some good.. Exam season, and the holiday season, respectively.

I will be busy with my studies, and shortly after taking off to spend some Christmas time with family. So, if you are keen to see me this month then pre-booking is essential. You can find any info you need on the [booking page](#) of my [website](#). I will also be back in Halifax and ready for dates around December 27/28, depending on weather conditions!

Take a peek at my upcoming scheduled days in Halifax here:

December 2023							Today
Sun	Mon	Tue	Wed	Thu	Fri	Sat	
26	27 Halifax	28	29	30	1	2	
3	4	5 Halifax	6	7	8	9	
10 Halifax	11	12	13	14	15	16	
17 Halifax	18	19	20	21	22	23	
24	25	26	27	28 Halifax	29	30	
31 Halifax	1	2	3	4	5	6	

I, of course, always have fun things happening over on my fan pages. Tonight, I will be hosting a special “Tip & Strip” event on my [onlyfans](#). If you want to strip me naked and play with me in my toys but have not been able to make it work in person (or maybe you have, and still want to be included on the fun) then this is a great event for you!

Tonight, from 7PM - 9PM AST I will be live to have some fun with you! The basic premise is in the name.. Tip, and I will strip.. And a few other things ;)

\$5 removes a piece of clothing, \$10 introduces a toy to the fun, and \$15 gets you your choice of toy to watch me play with! Options range from crop and paddle, spiky wheel, vibrator, and more!

Check out the poster, and don't forget to [subscribe](#) if you want to watch me naked!

I have also had a few lovers ask about Christmas ideas.. Of course, gifts are lovely to receive, but never expected.

If you are a lover looking to give me a gift.. There are some options on my [wish list](#) page on my [website](#), and I have recently finished updating my [Wishtender](#) and [Amazon](#) wish lists! (Amazon is a great option for simplicity, if you just want it to show up in my mailbox)

I look forward to lots of kisses under the mistletoe, and having lots of naughty fun with my lovers this December!

Get in touch if you are keen to get in a touch this month ;)
