May Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on June 1st

What a delightful month I have had! Besides a bit of jet lag..

I started my month in Edmonton! I was able to connect with a few lucky lovers, but my main reason for being in the city was to attend [ANSWERS Assemblee!](#) It was a truly amazing experience - with so many important conversations happening about the current discrimination sex workers face, how we remain safe, and how we continue to work toward decriminalisation of sex work in Canada. I was able to connect with so many wonderful companions in my time there, and had major FOMO when I got on my flight to Montreal..

It didn't help much that the concert I was flying into Montreal to attend was canceled. As I stood in the Montreal airport waiting for my friend from Halifax to land and saw Lizzo's

post about being sick.. How disappointing! But alas, Lizzo was sick and had to reschedule the concert and I have another upcoming trip to MTL (Completely personal trip)

After this I was home in Halifax for two days.. Before I flew to Toronto. This long weekend trip was the gift I gave to my mother back at Christmas - to have Mother's Day brunch in Toronto. I am forever glad that this life allows me to live weekends like that one.

After all of this, I think it's understandable that I spent the remainder of the month hosting and studying in Halifax. And as per usual, my lovers in Halifax never disappoint!

June Upcoming!

Which ways are you keen to keep up with me?

If you're not on my [socials](#) so haven't heard.. June is my birthday month! As a true gemini, I celebrate all month (and this year others helped me start it early with lovely dates and gifts).

I would love to see you this month to celebrate with me! As simple as bringing a bottle of wine for us to share as we start the date.. I can't wait to bring in my next year around the sun with you as a part of it!

If this month isn't good to see me, but you'd still like to send a gift there are a few options: [Wishtender](#), my [Amazon wishlist](#), or any of the ideas on the [Wishlist](#) page on my [website](#)!

In June, I will begin the month in Halifax, and will head to Sydney for a long weekend mid-month (June 15th-18th). At the end of the month I'll be back in Halifax, with sporadic availability:
